# **Junior Service League gives award to Arlene Baker**

GRAND JUNCTION — The Junior Service League of Grand Junction recently awarded Arlene Baker with the Patti Milius Service Award. The award is given annually to one of the organization's outstanding members.

Baker has been involved in Junior Service League for eight years and is the market president for USBanks in Grand Junction.

"I wanted to get involved and help service the community and at the same time belong to an organization that served the needs of women and children, plus it was a great way to meet other women from the community that had similar interests," Baker said.

The Patti Milius Service Award, established in 1994 by the organization to recognize one member who has consistently made substantial contributions to JSL.

Junior Service League is a service club made of women committed to working together to improve the community through effective volunteerism and fundraising. We are active, capable women who are dedicated to making a difference in our community and educating ourselves regarding community issues. JSL has raised more than \$600,000 since its inception in 1983. For more information, visit [www.jslgj.com](http://www.jslgj.com).
