Sheryl VanHole, walk co-chair states, "since 1998, more than 1000 women in Mesa County have received mammograms funded from the Walk4Life proceeds. Every step, every dollar goes to help local women continue their Walk 4 Life."

New this year: Leaves 4 Life, a personalized project celebrating life with the creation of a ceramic leaf permanently displayed at the Botanical Gardens.

The Junior Service League of Grand Junction has donated over \$530,000 and hundreds of volunteer hours to Mesa County programs.
